SUNDAY NOVEMBER 17, 2013 – 6:30 PM

Ukrainians experienced extreme humiliation and many rights violations in the 1920s and 30s under the Stalin dictatorship of the former Soviet Union. It was a time of occupation, a time of subjugation and a time of persecution.

Let us come together to remember and to commemorate those men, women and children who were the victims of Stalin's government induced famine.

Coffee, fellowship and a movie about the genocide will follow immediately after the Panakhyda in church auditorium.
