SHEVCHENKO CONCERT

FREE SAVCHENKO RALLY

March 21, 2016

CTV News coverage: <http://saskatoon.ctvnews.ca/video?binId=1.1965265>

Good Day,

We gathered here today to show our support for Nadiya Savchenko, the wrongfully imprisoned Ukrainian national. She is being held on trumped up charges, and according to press release today, she will be handed a guilty sentence. This shows once more that government under Putin will do whatever it takes to break the Ukrainian spirit.

Russia's so called pull back in Syria is a mere publicity tactic aimed to have the West put down their guard towards Russia. But as we are all well aware, Russia is a two headed dragon that cannot be trusted. They still carry on their brutality against Ukraine and Ukrainians. They want to flex their muscles by using Nadiya Savchenko as a symbol of what a powerful Russia can do. But the Russians do not know what patriotic people of Ukraine we are around the world. Cossack blood runs through our veins and our hearts.

So it is today that we not only gather to demonstrate for the immediate release of Nadiya Savchenko, but also alert the world of what is actually happening in Ukraine and that further action must be taken.

We must stand strong and pray that those injustices are righted. We pray for Nadiya Savchenko and her safe return to Ukraine, alive and well.

Slava Ukrayini!

Michael Gregory, UCC-SB President
